Holly:

Can you look at this and tell me if how much it would cost to create bid specifications out of this document.

Also, could you let me know if you can do it and how long it would take to turn around the bid documents. I will send you additional window descriptions and a simple bid doc by separate emails.

Thanks.

Hi Robert,

We've finally received back the architectural shop drawings and installation drawings for your project (please see attached). Additionally I will be sending you a product document for the product.

Regards,
